BAND STORY

"

I am a songwriter.

My song's genres vary, so if ones not to your taste try another!

Most of these recordings have been done by myself at home with only my 8 track,guitar and keyboard,the rest are Professional demos done by Scamp Studios(with a bit of tweaking by me afterwards). See if you can spot which!

My dream is for someone to DO one of my songs. Hope springs eternal eh?.

"I need someone to perform and record my songs."
